

Erasmus Mundus Joint Master Degree PLANTHEALTH

Intake 3 (Academic years 2018-2020)

The candidates of the following list fulfil the PlantHealth admission requirements and therefore are invited to register on a self-funded basis¹ in the PlantHealth master Intake 3 (2018/2020).

There are 13 places available for self-funded candidates. The registration in the master for self-funded candidates will be done in order of reservation of a place in the master (and payment of the "reservation fee"). To reserve a place in the master please send an email to planthealth@upv.es. The deadline to formalize the reservation of a place is 30th April 2018.

The PlantHealth programme has a number of Erasmus Mundus scholarships available for the master Intake 3 (see http://planthealth.upv.es/general_information). The Erasmus Mundus scholarships will be awarded to candidates that fulfil the PlantHealth admission requirements and are therefore within the applications listed below. **The list of candidates that will be awarded an Erasmus Mundus scholarship will be published within the next two weeks on the PlantHealth website.** Selected candidates will be also contacted by email.

List of candidates that fulfil the PlantHealth admission requirements

[Applications in this list are ordered by application number]

¹ Self-funded candidates are either self-paying students or students who have been awarded a scholarship from another scheme (different from the PlantHealth Erasmus Mundus scholarship). Participants in the Self-funded modality must cover their Participation Costs as well as travel, accommodation and living costs.
