3) APPEAL INSTRUCTIONS

An appeal period opens as from today, 5th July 2018, until 9th July 2018 (12.00 CET). Those candidates wishing to apply for a reconsideration of the selection process must send an e-mail to planthealth@upv.es until the specified date and hour indicated above.

NOTE 1: This selection process corresponds to the Master Intake 3 – 2nd call (self-funded candidates). The selection applies exclusively to the call and intake for which the candidates have been selected and shall not compromise future selection processes.

NOTE 2: Participating on a self-funding basis means that candidates have sufficient funds to cover the whole two years period (participation costs, trip from home country to the European host universities, accommodation and daily allowance), either with their own resources or with the support of a scholarship from another scheme. For information about participation costs (registration fees) please visit http://planthealth.upv.es/general_information#anchor8.
