## APPEAL PROCEDURE

Please read the Admission Requirements, the Selection Criteria as well as the Application Procedure carefully before submitting an appeal:

- Candidates who fail to provide the required documents within the established timeframe may not submit an appeal.
- Candidates who followed the Application Procedure and respected the Deadlines but were denied selection due to unmet Selection Criteria and have reasons to believe that a mistake has been made during the selection procedure have the right to appeal the Selection Board's decision.

The appeal procedure is concerned with how your proposal was handled in the evaluation and eligibility-checking process. It is not an automatic re-evaluation. Please note that new information or clarifications that should have been in the proposal will not be taken into consideration.

If after reading the above-mentioned conditions you still have reasons to believe that a mistake has been made, please send an email to [planthealth@upv.es](mailto:planthealth@upv.es) explaining your claims within the appeal period. We will evaluate your case individually and notify you as soon as a decision has been made. The appeal period for Intake 5 general selection results opens as from Friday, 6<sup>th</sup> March 2020, until 13<sup>th</sup> March 2020 (12.00 CET).
