## II. LIST OF ELIGIBLE CANDIDATES WHO CAN APPLY AS SELF-FUNDED STUDENTS

The candidates listed below meet all eligibility criteria but have not been awarded a scholarship at this time. However, you are invited to apply for the programme as a **self-funded student**.

### What is a Self-Funded Student?

Self-funded students cover their own expenses through personal savings or external sponsorship (other than the Erasmus Mundus scholarship).

You will be responsible for:

- **Participation Fees** (total for the two-year programme): €9,000 for EU citizens and €10,000 for non-EU citizens
- **Additional Costs:** All travel, visa, accommodation, and living expenses.

### How to Apply

Due to limited capacity, we prioritize candidates who previously indicated an interest in self-funding on their application.

1. **Assess Finances:** Only request an interview if you can genuinely afford the master's and living costs for the full two-year duration.
2. **Request an Interview:** Email [planthealth@upv.es](mailto:planthealth@upv.es) by **March 6, 2026**
3. **Interview Timeline:** Shortlisted candidates will be interviewed between **March 10 and March 31, 2026**.

**⚠ Important:** Only selected candidates will be contacted. If you do not receive a reply, it means you have not been chosen for an interview. We kindly ask that you do not send follow-up emails regarding your status.

### Securing Your Place

To be officially admitted to this intake, you must:

1. Successfully complete the online interview.
2. Pay the first-year participation fee (€5,000) and provide proof of payment.

## APPEAL PROCEDURE

Before submitting an appeal, we strongly encourage you to review the eligibility requirements and selection criteria: 🖱️ [Application Procedure – PlantHealth](#)

### ⚠️ Important Guidelines

Please be aware of the following before proceeding:

- **Purpose:** The appeal process is a review of how your application was handled (eligibility and procedural checks). It is **not** a re-evaluation of your academic merits or application content.
- **Ineligible Appeals:** We cannot accept appeals for applications that were submitted late, were incomplete, or contained incorrect information.
- **Competition:** Because the selection process is highly competitive, many excellent candidates cannot be awarded a scholarship due to limited funding.

### 💡 How to Submit

If you believe a procedural error occurred during your evaluation, you may submit a formal case:

- **Email:** Send a well-justified statement to [planthealth@upv.es](mailto:planthealth@upv.es) 📧
- **Appeal Window:** February 24, 2026 – February 28, 2026.
- **Outcome:** Each case is reviewed individually. You will be notified of the final decision as soon as possible.
