

ERASMUS MUNDUS MASTER'S DEGREE IN PLANT HEALTH IN SUSTAINABLE CROPPING SYSTEMS
PLANTHEALTH MASTER

Intake 9
(Academic years 2024 / 2026)

LIST OF CANDIDATES WHO CAN PARTICIPATE IN THE PLANTHEALTH MASTER

LIST OF SELECTED CANDIDATES

The **candidates eligible to register as self-funded students** are listed below.

The selection process considered each application and adhered to Erasmus Mundus Joint Master Degree requirements, which **limit the number of participants from any single country** to ensure a diverse group of nationalities among the students.

Self-funded students are those who finance their own studies. All costs associated with pursuing this Masters (including master's fees, travel, accommodation and living expenses) must be covered by the student.

Selected candidates are encouraged to contact us, at planthealth@upv.es, before **15 June 2024** to arrange an online interview.

APPEAL PROCEDURE

Candidates wishing to appeal against the selection decision can send a duly reasoned email to the Office of the Plant Health Coordinator at planthealth@upv.es within 7 days of the publication of these results.

Before submitting an appeal, candidates are advised to familiarise themselves fully with the eligibility criteria, the selection criteria and the application procedure at: <https://www.planthealth.upv.es/web/apply/application-procedure/>

Any new information, clarifications or documents that should have been included in the original application will not be taken into account.
